The Network Innovation

dLAN® 200 AVmini

Small, fast, green – it's easy to make clever use of the power line

With the devolo dLAN® 200 AVmini, you have an up-to-date Powerline solution for quickly and easily networking computers and other network-compatible terminal devices over the electrical wiring. The dLAN® 200 AVmini is faster, smaller and greener than other Powerline adapters of it's class: Faster because it connects devices on a cable length of 300 meters at speeds up to 200 Mbit/s, smaller because of its ultra-compact housing design and greener thanks to the „Dynamic PowerSave“ technology, which automatically decreases energy consumption by up to 90%.

Full performance, small housing – barely higher than a 2 Euro coin.

Starter Kit

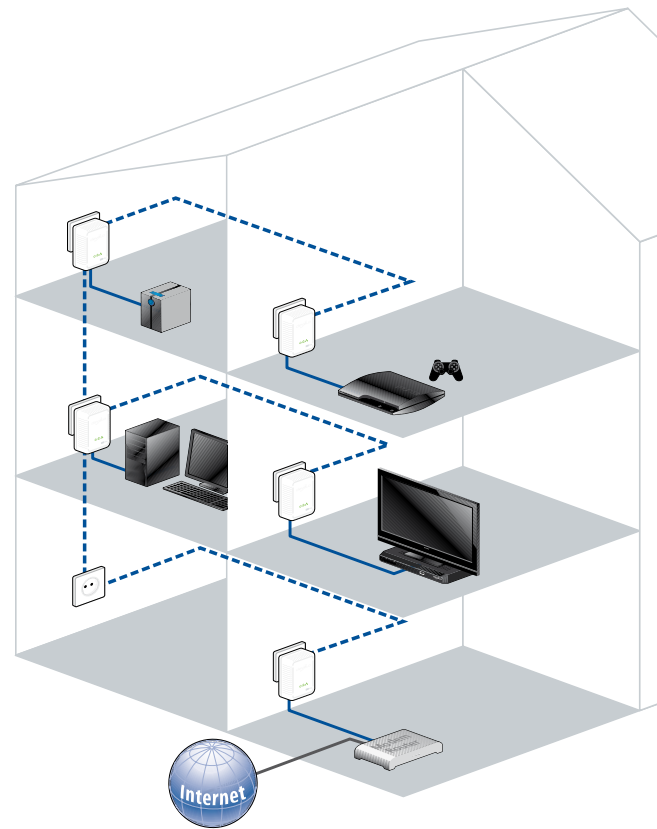

dLAN® 200 AVmini
Network Kit

Highlights:

- Simple, fast and stable home networking via the household electrical wiring with transmission rates of up to 200 Mbit/s
- Perfect for all types of data transmission in a home network (e.g. streaming multimedia or extending Internet networks)
- Desktop computers, laptops (PC/Mac), television sets, IPTV receivers (e.g. Telekom Entertain), game consoles, network hard drives, etc. can be connected to each other and to the Internet in no time
- No configuration is necessary—plug the adapter into the power outlet, connect it to the desired device via the network cable and you are ready to go!
- Works in every room desired, in every apartment, in every building—whether new or old, up to a cable length of 300 metres
- Compact adapter design for versatile and unobtrusive positioning in every room of the house
- Security at the touch of a button—secure AES encryption is activated very easily at the touch of a button on the adapter
- Power consumption of just 0.5 watts in standby mode: the adapter reduces its energy consumption automatically by over 90 percent
- Easy setup possible with no need for a computer. Easy, customised monitoring and configuration of the dLAN® AV home network is also provided by the intuitive dLAN® Cockpit software
- Compatible with all devolo adapters of the dLAN® 200 and dLAN® 500® (HomePlug AV) series
- 3-year warranty

Software supports:

Microsoft Windows® XP 32 bit,
Vista 32/64 bit, 7 32/64 bit,
Mac OS® X, Linux®

Compatible with:

dLAN® 500 AVmini
dLAN® 500 AVplus
dLAN® 500 AVtriple+
dLAN® 200 AVsmart+
dLAN® 200 AVplus
dLAN® 200 AVeasy/AVmini
dLAN® 200 AV Wireless G/N
dLAN® 200 AV USB extender
